

My wife, Kim, and I are lifelong Catholics, being raised by Catholic parents. My family has been a member of St. Anthony Parish since 1995, where we have raised our two children from Baptism through Confirmation.

As well as being on the Father Leo Lynch Youth Ministry Program Team, I am a member of the Woburn Catholic Collaborative Parish Pastoral Council, the Pastoral Plan Writing Team, and the Disciples in Mission and Year of the Eucharist programs.

I am a Lector and Extraordinary Minister of Holy Communion at St. Anthony and have been active in street ministry to the homeless and drug addicted in Boston. I have been involved in the Friends of St. Anthony, an outreach program in the Woburn Community, and a festival committee member for many years, coordinating the annual St. Anthony Festival for the past 3 years.

My personal desire is to see our youth encounter Jesus in an impactful way that draws them into a lifelong relationship with the Savior of the world.
