

Hello, I'm Tom Pasakarnis, a 30-year parishioner of St. Anthony's parish and long-time lector.

I'm a member of the Father Leo Lynch Youth Ministry Program Team and am eager to be teaching our youth about our good, true, and beautiful Catholic faith passed on to us by the clergy and those stout believers that came before us – in my case, a religious order of

nuns as well as many members of my own family.

My wife and I raised two children as parishioners of St. Anthony's, although we were married at St. Barbara's, and both attended Catholic schools from kindergarten through high school. I have taught Religious Education classes for 19 years and recently obtained a Certificate in Catholic Theology from the Archdiocese of Boston TINE (The Institute for the New Evangelization) program.

I greatly look forward to meeting all of the children, and the parents of those children I will be teaching, as we jointly tackle the challenge of teaching the youth our wonderful Catholic faith in a virtual manner.
